Thinking of Retiring?

One Month Before Retirement...

At least thirty days before the date of retirement, send in your letter of resignation to your school board, with a copy to the Local President at lp67@bctf.ca

Check with the School Board Office to see when your current health benefits end to ensure continuous coverage.

Invite newer teachers to take away units and materials that you will not need in your new life!

Know Your Contract
ARTICLE D.27.5 Health and Safety

Teachers have a duty to render assistance in an emergency but shall not be called on to administer medication to students on a regular predictable basis.

In exceptional circumstances where it is essential that students receive medication and there is no responsible person in the school other than the teacher who can administer the medication, the matter will be discussed and resolved in advance with the Union.
