## Know Your Contract

### Sick Leave Days for TTOCs

Recently the Employment Standards Act (ESA) was updated to provide all workers with five paid sick days. This applies to TTOCs.

Note: if you already generate 5 or more sick days because you have a part time contract, you do not additionally get the five ESA sick days.

## TTOC

The next TTOC meeting is on Wednesday, January 25, at 4 PM at the OSTU office. Come socialize and discuss TTOC topics.
